Dear Darlene:

*“The tremendous success of the Marshals Service’s Fugitive Apprehension Program hinges upon the dedication of its personnel, the cooperation of its many law enforcement partners, the support of the public, and the commitment to public safety by community groups such as CrimeStoppers. Our agency and the community have benefited greatly from the vital role CrimeStoppers plays in helping to remove violent felons from our streets.”*

Sincerely,

Michael D. Credo, United States Marshal  
Eastern District of Louisiana
