Dear Ms. Cusanza:

On behalf of our New Orleans based employees, we are pleased to donate \$10,000.00 (sent June 26, 2010, via electronic file transfer #7272186) to The Greater New Orleans Crimestoppers in the fight against crime in our communities. We were deeply saddened at the recent murder of one of our on-duty employees in New Orleans, and appreciate the assistance we received from your organization in helping to find the killer. Thankfully, due to that hard work and diligence of the New Orleans Police Department, the responsible person was quickly located and arrested.

CSX recognizes the importance in the roles each person takes to ensure our neighborhoods are safe on a daily basis, and that The Greater New Orleans Crimestoppers is instrumental in helping to encourage people to come forward with information that might help solve a crime.

Please accept our donation in your continued efforts in this fight against violent crimes.

Best regards,
