Crimestoppers to place signs tomorrow at the 2010 open homicide locations across New Orleans

Thursday, January 27th starting from the Crimestoppers offices in Metairie at 9:15 a.m. representatives from Crimestoppers will span out across New Orleans to place signs up at the location of open homicide cases from 2010 in respect of the Strike Out against Violence week. The signs will serve as a reminder to the families and neighborhoods that the community has not forgotten and if anyone has information, they will also be reminded to call Crimestoppers. Representatives will start in the 1st District and move out from there to continue placement throughout the day. Media opportunities will be made available. Please contact Darlene Cusanza at 339-9850 for location and/or any further questions.

Crimestoppers mission is to assist the community by providing citizens an anonymous vehicle to report crime. Crimestoppers, Inc is a private nonprofit organization that works in partnership with citizens, the media and law enforcement to identify and apprehend criminals. Crimestoppers also works to educate the community in crime prevention strategies.
